Press Release

"Dad, You're Wonderful…"

[Hong Kong, 8 June 2011] One does not have to be a super hero to be a super dad. A devoted father who loves and supports the family well deserves to be looked up to by his whole family. In June, Sino Group of Hotels wishes all fathers and families' good health and happiness by promoting exercises and healthy meals.

KitChee Football Team, which has just topped Hong Kong First Division Football League, has joined the Group to promote various zinc-rich dishes for health and taste bud's sake. "Care For Your Heart" is the Group's partner to raise public awareness to a healthy heart.

Football Stars and Zinc-rich Recipes on Facebook

Zinc is believed to possess antioxidant properties, which offers protection against accelerated aging of the skin and muscles of the body, as well as the development of a number of health problems, including heart disease and cancer. Popular football stars from the KitChee Football Team will recommend special recipes prepared by the hotel chefs on four hotels' Facebook fan pages. These include a series of zinc-based healthy dishes, including the award-winning dish from City Garden Hotel, Seared Star Garoupa Fillet with Fish Maw on Steamed Egg Whites with Truffle Sauce, and from Island Pacific Hotel there is Roasted Chicken Roulade with Rhubarb and Apple. Download the recipes and treat your father a healthy and happy meal at home.

Creativity to Win Two Bottles of Bottega Prosecco

Comic strips will be posted on the four hotels' Facebook fan pages to invite cute dialogues amongst fans. The hotels will select the best 12 entries and the winners will receive two bottles of Bottega Prosecco 200ml sparkling wine, sponsored by Telford International Company Limited.

Limited Edition Trendy Felted Mobile Phone Pouch

From 10 to 19 June 2011, patronise any participating outlets during specified periods at The Royal Pacific Hotel & Towers, Hong Kong Gold Coast Hotel, City Garden Hotel and Island Pacific Hotel where fathers will receive a limited edition trendy mobile phone pouch (while stock lasts).
